This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Starz Limousine, LLC (the Applicant or Starz) whereby the Applicant seeks certain relief in the nature of a temporary suspension of its Class C Charter Certificate of Public Convenience and Necessity (Certificate) No. 6804. A review of the docket file reveals that Certificate No. 6804 was issued to Starz pursuant to the authority granted to the Applicant by Commission Order No. 1999-523, dated August 2, 1999.

On June 6, 2005, Starz filed a request with the Commission seeking a suspension of Starz's authority to operate as a motor carrier for a period of one year. The Applicant states that Starz is on the verge of selling the business due to the costs of gasoline, insurance and other costs.

Based upon a consideration of the instant Application and all matters relative thereto, the Commission is of the opinion, and so finds, that the request should be approved.

IT IS THEREFORE ORDERED:

1. That the relief requested in the Application of Starz Limousine, LLC is approved, and Class C Charter Certificate of Public Convenience and Necessity No. 6804 is suspended until **June 16, 2006**.

2. That this Order shall remain in full force and effect until further Order of the Commission.
